COPY NO. 1

March 28, 1958

MEMORANDUM FOR THE NATIONAL SECURITY COUNCIL

SUBJECT: Technical Feasibility of  
Cessation of Nuclear Testing

REFERENCE: NSC Action No. 1840-c

The Report on the subject,\* called for by NSC Action No. 1840-c-(1), has been prepared by the NSC Ad Hoc Panel established by the reference NSC Action (consisting of representatives of the President's Science Advisory Committee, the Department of Defense, the Atomic Energy Commission, and the Central Intelligence Agency), and will be presented orally at the National Security Council meeting on Thursday, April 3, 1958.

Because of the sensitivity of this Report, copies have been circulated only to those agencies represented on the NSC Ad Hoc Panel and to the Department of State. A copy of the Report is available, in the office of the Executive Secretary, NSC, for reference by other regular participant members of the Council.
