DOT News Review 16  
10/1/40

The following information was received from the Director of the Federal Bureau of Investigation, Washington, D.C., on April 30, 1940. It is stated that the Bureau has received information from a confidential source that a certain individual, whose name is not recalled, is in possession of a certain type of machine gun. This information was obtained from a confidential source who has provided reliable information in the past. The Bureau is currently conducting an investigation into this matter and is seeking information from other sources. It is noted that the individual in question is believed to be in contact with certain individuals who are active in the Japanese American community. The Bureau is also interested in any information regarding the activities of these individuals.

Section 617

The Government of the United States  
considers the security of the Republic of Cuba,  
the stability of the Government of Cuba,  
and the maintenance of the peace and  
order in the Western Hemisphere as a  
matter of national interest and the  
policy of the United States is to  
oppose any attempt to overthrow the  
Government of Cuba by force or  
fraud. The Government of the United States  
will not recognize any Government  
installed in Cuba by force or fraud.

Section 618

The Government of the United States  
considers the security of the Republic of Cuba,  
the stability of the Government of Cuba,  
and the maintenance of the peace and  
order in the Western Hemisphere as a  
matter of national interest and the  
policy of the United States is to  
oppose any attempt to overthrow the  
Government of Cuba by force or  
fraud. The Government of the United States  
will not recognize any Government  
installed in Cuba by force or fraud.
