R

22. AEC 94 - QUARTERLY REPORT TO THE JOINT COMMITTEE

STATUS  
REPORT  
EXTRACT  
5/1-5/15/48

12 May General Manager submitted a report of progress on the Commission's activities during the first quarter of the calendar year 1948.

Commission:

- a. Directed that the section on raw materials be revised to state the percentage of raw materials used by the Commission presently coming from the Colorado area;
- b. Approved AEC 94, as revised in accordance with a. above, for transmittal to the Joint Committee, with the understanding that minor textual changes would be made at the time of final reproduction;
- c. Approved 94/1, a draft letter of transmittal to the Chairman of the Joint Committee and a draft foreword to the Quarterly Progress Report.

15 May Quarterly Progress Report transmitted to Joint Committee.

15 May Present Status: COMPLETED
