1291st AEC S. Agenda for 112th AEC-MLC Conference (pp. 3-7)
 Mtg. 6-21-57

The Commissioners discussed briefly the proposed agenda for the 112th AEC-MLC Conference, scheduled for June 27, 1957. Mr. Strauss suggested, and the other Commissioners agreed, that the high altitude shot proposed for Operation HARDEACK and the testimony on clean weapons presented before the JCRC on June 20-21, 1957, be reviewed by the General Manager as possible items for discussion with the MLC. The Commissioners then approved, as revised, the agenda for the 112th AEC-MLC Conference.
