Dear Mr. Secretary:

Our letter of October 25, 1955, advised you of our intention to seek Presidential approval for operation ASOMINO, the series of atomic tests to be conducted at the Pacific Proving Ground, commencing about May 1, 1956. As you know, the President has recently authorized the announcement of these tests. We are requesting, as of this date, Presidential authority to expand the required nuclear materials.

Sincerely yours,

Chairman

Honorable John Foster Dulles
Secretary of State
