Office Memorandum • UNITED STATES GOVERNMENT

TO : Brig. Gen. Alfred D. Starbird, Director
Division of Military Application

DATE: November 16, 1956

FROM : W. B. McCool, Secretary *WBM*

SUBJECT: TESTS IN THE PACIFIC PROVING GROUNDS

SYMBOL: SECY:JEA

1. This is to confirm our telephone notification on November 15, 1956, and information provided Colonel Musick on November 16, to the effect that at Meeting 1246 on November 14, during discussion of AEC 141/33 - Radiological Criteria for the Nevada Test Site, the Commission requested a study of the possibility of using the Pacific Proving Grounds for all tests now held in Nevada except those of a low yield or of high priority.

2. We will circulate this study as a staff paper to the Commission.

*Discussed with Cobby 1/24/57
AEC 944/2 satisfied this requirement.
