Division of Information Services

CLARIFICATION OF POLICY REGARDING REPORTING OF ACCIDENTS

SDBOL: ISF:DC

The Deputy General Manager has asked the Division of Information Services to investigate whether action should be taken to clarify the Commission's policy regarding news releases on accidents or unusual incidents, to provide guidance to Managers of Operations.

Attached is a draft memorandum from the General Manager to the Managers of Operations, designed to clarify and restate the Commission's policy on this subject. May we have your approval and/or comment before the memorandum is submitted to the General Manager?
