Dear Mr. Carpenter:

Your assistance is requested in making arrangements for a field party, representing the Division of Biology and Medicine, to make a Radiological Survey of Bikini Atoll and a Resurvey of Bikini Atoll.

I am attaching my letter of March 30th to Captain Russell of the Division of Military Applications, who is also acting as Commander, Task Group 7.1, and a copy of his reply received April 30th. Upon his recommendation the original proposal has been held in abeyance, but it is our desire to proceed now with plans for the expedition to get underway about July 1st.

Sincerely yours,

Carroll L. Wilson
