*Lang - I thought you ought* Book In  
24 Sept 75

*to see you too since you have  
been handling the watch.*

*Dick - Thanks. As you may know, congress has killed authorization  
to spend money on this cleanup (House appropriations etc)  
so we'll have to see what will follow - Interior + State will  
probably try to get DoD/ERDA to take the cleanup funds out of  
appropriated monies!*
