Notes for June 12, meeting

1. To outline what AEC can and cannot do
 - a. AEC is an R and D agency and must justify expenditures by relevance to research.
 - b. True despite repugnance of Marshallene to being ~~portrayed as~~ considered research subjects.
 - c. Can stretch things so that activities that would not be justified by a research committee are carried out.
 - d. Too much stretching could lead to sharp cutbacks with changes in administration.
 - e. Pure health care must be provided by HEW or Interior.
2. AEC cannot assume liability for damages.
 - a. Last paragraph of page 2 of Boyja's letter and 5th line from bottom of page 3.
 - b. Legal status is determined by line 3 of P.L. 88-485.
 - c. ~~but~~ 1954 test was conducted by joint task force with AEC participation.
 - d. Act of congress would be required to establish liability and negligence.
3. Recent accomplishments
