FROM: K. F. Hertford, SFOO

Reference teletype March 9, 1956 concerning PAA Flights under sub-contract with University of California. Information from Honolulu received March 19 revaals personnel backlog has been removed with less than required number of people available to schedule March 19 plane. In view of above request cancellation of March 29 flight and that PAA service in future not be used without prior approval this office and only if made necessary because of deterioration of MATS transportation effort.
