Dear Bill:

I hope by now you have gotten the final okay for the ship movement. As outlined to you previously Scott, Clareus and Humphreys will arrive Sunday afternoon March 1 and the rest of us will be coming in Friday afternoon, March 6.

I have made one change in the plans. Dr. Dobyns and I wish to delay the examination of the boy on Maui one day. Would you please call Mrs. Thompson and advise her according to the latest plans, we will be at her home around 8:30-9:00 a.m. on Friday March 6. Also would you please send me Mrs. Thompson's phone number in case I should have to call her while at Maui.

I received the lease for Utirik and I am glad that is all taken care of.

My back is improving and I am looking forward to getting out to beautiful Hawaii. Looking forward to seeing you at that time. Best regards.

Sincerely,

Bob
