

Office Memorandum • UNITED STATES GOVERNMENT

TO: Dr. C. L. Julian, Director, Division of Biology and Botany, Washington, D.C.

DATE: June 15, 1956

FROM: Edward P. Searles, Chemist, Analytical Branch, HASL, New Operations Office, New York

410733

SUBJECT: NRDJ MARS ALL ISLAND RE-SURVEY
RESULTS AND ANALYSES PERFORMED AT HASL

SYMBOL: HSA:RP

only 11 samples analyzed at HASL

I am sending you photostated copies of data currently available on the NRDJ Reserve samples. There will be additional data available for the next three weeks. This will include several more NRDJ analyses of "control" samples which are being run. All urine samples collected by NRDJ.
