Subject: Contract AT-(29-2)-20
Transmittal of Preliminary Cost Estimates

Dear Sir:

In accordance with the telephone request of Mr. Wykes this morning, there is submitted herewith Preliminary Cost Estimates for a building at the Test Station, Site Taongi, prepared in January, 1957. I wish to call your attention to the fact that these estimates are presented under the following three schemes:

Scheme 1 provides for a 15-unit building on concrete slab, wood frame, plywood siding, corrugated aluminum roofing, in the total gross amount of \$12,500.

Scheme 2 provides for a 15-unit building on concrete slab, wood frame, corrugated aluminum siding, corrugated aluminum roofing, in the total gross amount of \$17,355.

Scheme 3 provides for a 15-unit building on concrete slab, using pre-fabricated Pacific Iron and Steel Company type aluminum building, in the total gross amount of \$15,000.

Each of these plans has been reviewed as of this date. For preliminary planning purposes, it is felt that the figures reflected are adequate when present-day costs and method of accounting at the Test Station are considered.

We trust that this information is sufficient for your present needs.
