MEMORANDUM

TO: Mr. Robert M. Underhill

Attached is proposed Amendment 7 to Subcontract No. 108 which has been executed by Mr. Clifford D. Cooper on behalf of the subcontractor and is hereby transmitted for your approval and execution. This amendment merely extends the completion time of the contract to January 31, 1959 in order to clean up the final details of this work which was undertaken for the last Pacific weapons testing program.
