Dr. W. J. Bair, Chairman
Environment, Health & Safety Research Program
Battelle-Northwest Laboratories
P. O. Box 999
Richland, Washington 99352

Dear Bill:

Because of my recent visit to Enewetak, I will not accompany the Advisory Group on the August 20-25 trip. I am familiar with the overall program there as it relates to the advisory function.

I do plan to be at the meeting at Livermore on June 7-8.

Sincerely,

John A. Auxier, Director
Industrial Safety & Applied Health Physics
