ESTABLISHMENT OF TRIWETOK COORDINATION COMMITTEE

An Triwetok Coordination Committee is to be established to provide a working level group among the various interested divisions and offices within headquarters. The chairman of this Committee will be CDR W. F. Wolff, USN, Office of Tests, Division of Military Application.

It is requested that each addressee designate a committee member who is knowledgeable in matters regarding Triwetok which are of interest to his office or division. Since the Triwetok Coordination Committee will have no policy-making authority, no member will be called on to make decisions which establish de facto policy for his office or division.

This Committee will meet approximately weekly at the call of the chairman. The first meeting is tentatively scheduled for 2:00 p.m., September 14, 1972.
