

Office Memorandum • UNITED STATES GOVERNMENT

407473

TO : EO - Mr. Staats *PH 9/5*

DATE: May 8, 1956

FROM : OCB - R. Hirsch

SUBJECT: Supplementary Item to Nuclear Energy Status Report Entry (Item 25)

1. The OCB Working Group on Nuclear Energy Projects and Related Information Programs will meet on Tuesday, May 15, to review with Mr. Charles Campbell, Director of Information of the National Academy of Sciences, the manner and timing of publication of a 30-page popular summary of the technical findings of the six committees engaged in producing the NAS-NEC Radiation Study.

2. It is expected that the summary will be made public the first part of June a few days prior to the publication of a British White Paper on the same subject.

3. NSIA is interested from the standpoint of getting advance copies of distribution overseas, State is interested in view of the fact that the UN Trusteeship Council will be in session, and AEC of course has the continuing weapons tests in the Pacific.
