Commission Decisions

1. Emergency Loading of Weapons - The Commissioners approved immediate establishment of appropriate procedures for emergency loading of weapons. (Starbird)

You are to recommend appropriate revisions to the procedures on transfer and custody of weapons. (Starbird)

2. August Vacations - The Commissioners agreed they would go on vacation in August.

3. Observers at REDWING - The Commissioners approved the attendance of news media representatives at a small shot in addition to their scheduled shot if necessary. (Starbird)

Other Business

1. SAC Briefing - Mr. Vance reported on his trip with Mr. Libby and General Starbird.

2. Discussion of Mobilization Plan - Mr. Libby will attend this meeting on April 19. Mr. Shaw will inform Mr. Libby of the time and place of the meeting as well as the results of preliminary staff discussions today. (Shaw)

3. Future of CDA - AEC 303/7 will be considered on May 1.

4. Attendance of REDWING - You reported that you and Mr. Vance would leave this weekend. Mr. Murray said he would attend a large shot in June.

5. Subcommittee on Research and Development - Mr. Libby reported on his testimony before the JCAE. You may wish to check the funds for training now proposed in the '57 budget.

6. Discussion of MURA - Mr. Vance reported that a faculty member of Notre Dame had been approached by a Russian scientist at the Rochester Conference seeking detailed information on the MURA project.
