Mr. K. E. Fields  
 General Manager  
 Atomic Energy Commission  
 Washington, D. C.

Dear Mr. Fields:

During the hearing on the indemnity legislation, Mr. Andrew Bieniller mentioned that there was some problem in connection with the disability case of one Mr. Cardwell at Oak Ridge (see p. 735 of the daily transcript). Would you be good enough to furnish us with the files on Mr. Cardwell so that the Joint Committee can study the problems involved in a radiation injury compensation case?

The Joint Committee would also appreciate receiving a report on all other known instances of radiation injury in the program.

Sincerely yours,

*James T. Ramey*
