Dear Bill:

Attached are summary notes I made on the meeting at Germantown, May 16th, 1977. If I have misstated anything or drawn the wrong conclusions, please let me know. I am sending copies to others attending the meeting for any comments they may have. Since I did not have a complete roster of all attending, you may wish to forward copies to others.

Sincerely yours,

A handwritten signature in cursive script, appearing to read 'Bob Conard'.

Robert A. Conard, M.D.
