Subject: PRE-ASSIGNMENT MEDICAL SCREENING

Dear Roger:

The following information regarding pre-assignment medical screening for EG&G personnel assigned to Enewetak is provided in compliance with your request of 31 October 1977.

The below listed personnel received the required medical screening prior to departing for Enewetak.

- Roesner, K. R.
- Steinbach, M. C.
- Tipton, W. J.
- Tomnovec, F. M.
- Verheyden, W. F.

The following personnel did not receive a medical screening as we were not made aware of the requirement until two working days prior to their departure. They did, however, have physical examinations on the dates indicated.

Subsequent to the helicopter survey all EG&G personnel who deployed to Enewetak have been medically screened with one exception. This exception was A. Villaire, who was a last minute substitute with inadequate time for screening.

If I can be of further service, please feel free to call on me.

Sincerely,

EG&G, INC.
