Bill for Physical Examination -

Transmitted herewith is a reminder received from the Southern Utah Clinic covering an examination given to Mr. following his accident. We have replied to this with an explanation of why the delay has occurred.

For public relations reasons, it would be greatly appreciated if you could follow-up on this matter to see that payment is made as soon as possible.

Gentlemen:

We have received your reminder of the bill covering a physical examination given to Mr. Mr. is a Public Health Service officer and at that time was a member of our organization. Your original bill for this examination was forwarded to our Washington headquarters for payment.

We regret very much the delay that has occurred in this matter. This delay has been occasioned by the fact that we have been engaged in testing activities at the Nevada Test Site. We are forwarding your reminder to Washington and will follow-up to see that payment is made as expeditiously as possible.

Again let me apologize for the delay and we shall endeavor to assure that you receive payment at the earliest possible time.

Very truly yours,

John R. McBride
Assistant to the OIC
