Office Memorandum

UNITED STATES GOVERNMENT

TO : Mr. Derry  
FROM : A. Gilliam  
SUBJECT:

Dr. Warren called and gave the following information: The names of the men are Ralph Firmigiac, M.S. in Chemistry (an instrument man); Forest [unclear]; John Roberson, Ph.D. Physics. These three men are in the section headed by Dr. K. Z. Morgan, Clinton Laboratory. Each will take complete equipment and accessories with them to Bikini. You are to request their release from Monsanto and they are to be put on Donaldson's payroll.
