Dear Rob:

Walt Murvik's letter of June 7, 1973, to me forwards copies of
viewgraphs used at the May 22 RARG meeting. As a member of RARG
it is certainly appropriate that you have the enclosed copies.
I hope, however, that you will adhere to the restrictions Walt
places on the use of this information. These are most appropriate
in the light of the status of the survey report and the preparation
of AEC recommendations regarding radiological aspects of cleanup
and rehabilitation of the atoll.

Sincerely,

Original Signed By
