MEMORANDUM FOR COMMISSIONER MURRAY

Subject: QUICKIE FILMS ON OPERATION REDWING SHOTS

We thought you might wish to see the following quickie films of Operation REDWING shots, showings of which you were unable to attend on July 5 and July 11. These films will be re-shown on Friday, July 13, in Room 213 at 10:00 a.m., to the Branch Chiefs and Assistants to Commissioners, and again at 2:00 p.m., to the MLC and their staff:

The Seminole, Erie, Flathead and Dakota shots have been combined into one film, requiring about 27 minutes;

The Kickapoo and Inca shots film, which requires about 12 minutes;

The Inca shot film which requires about 10 minutes; and

The Mohawk shot film, which requires about 10 minutes.

It is estimated that a total of about one and one-quarter hours will be required to present these films.

If you wish to attend either of these showings, we will be glad to inform the Division of Military Application.
