I would like to carry out examinations on several Marshallese at Honolulu on March 15. Could you arrange for me to carry out examinations that morning at Tripler Army Hospital and alert them that we will need complete blood counts, platelet counts, urine analyses and chest x-rays?

On March 17 Dr. Dobyns would like to examine at the Maui Medical Center in Maui. Please notify them to this effect and arrange for a car rental for Dr. Dobyns upon his arrival in Maui the evening of March 16. I will write the Administrator of the ~~clinic~~ <sup>clinic</sup> hospital requesting the laboratory examinations as outlined above.

There will no doubt be other arrangements necessary, but this should get the ball rolling. I will keep in touch with you. Thanks for your help.
