Dear Mr. Shute:

SUBJECT: Subcontract 108
Cooper Development Corp.

Attached is a copy of a letter, dated October 16, 1958, from Cooper Development Corporation to determine whether or not we could approve their usage of ASP motors on another Government contract provided appropriate credits were made to our contract.

If the Laboratory has no further plans to use the ASP motors at this time, would you approve our negotiation of an appropriate credit and release of the motors for other Government end use?

Very truly yours,

C. L. Blue
Assistant Business Manager
