<p>UNCLAS / ROGER RAY SENDS TO C. E. WILLIAMS. TALKED AT LENGTH WITH COLEMAN. HE DOES NOT EXPECT TO ADD ANY REPRESENTATION TO OUR FIRST CONTINGENT. HOWEVER WE AGREED THAT IT MIGHT BE HELPFUL TO HAVE WITH US SOME MEMBER OF THE TT STAFF WHO HAD BEEN PRESENT ON OUR MAY VISIT WHEN THE UJELANG LEADERS WERE PRESENT. I AGREED AND COLEMAN INDICATED HE WOULD PROBABLY SEND JOE NAKANISHI FROM THE SAIPAN STAFF AND INVITE DISTAD DEBRUM TO SEND ONE OF HIS PEOPLE. BOTH WOULD COME TO ENIWETOK ON THE REGULAR MAC CHARTER PROBABLY OCTOBER 18TH. I WILL DISCUSS THIS WITH DNA REP. FUTRAL TOMORROW IN TIME FOR HIM TO CALL WASHINGTON IF HE DEEMS THAT NECESSARY. AS TO THE NATIVE MARSHALLESE, COLEMAN HAD INDICATED</p>				<p>REPOSITORY <u>DOE/PASO</u></p> <p>COLLECTION <u>DOE/NV</u></p> <p>BOX NO. <u>634</u></p> <p>FOLDER <u>ENIWETOK AMOLOGICAL Survey 6/73-4/76</u></p>

TO US IN WASHINGTON AND TO ME EARLIER AT ENIWETOK
THAT IT WAS IMPORTANT THAT QUOTE - THE PEOPLE - UN-
QUOTE PARTICIPATE ACTIVELY IN REHABILITATION PLANN-
ING. HE FEELS THAT HE HAS A COMMITMENT TO THEM IN
THIS REGARD AND I AGREE. HOWEVER I POINTED OUT TO
HIM THAT ~~THESE~~ THESE SURVEYS (BOTH OURS AND DOD'S)
ARE INFORMATION GATHERING EXPEDITIONS: OURS TO DEVELOP
TECHNICAL DATA TO PERMIT JUDGEMENTS TO BE MADE AND
DOD'S TO FORM THE BASIS FOR ESTIMATING COST AND TIME
FACTORS FOR A CLEANUP. I ASSURED HIM THAT WE WERE
NOT ON A REHABILITATION PLANNING EXPEDITION AND THAT
HE WOULD BE KEPT INFORMED. I ALSO ASSURED HIM THAT
IF IN HIS OR THE HICOM'S JUDGEMENT IT WAS NECESSARY
OR DESIRABLE TO HAVE NATIVE REPRESENTATION WE
WOULD ATTEMPT TO ACCOMMODATE IT. COLEMAN ACCEPTED
THIS AND I FEEL CONFIDENT WILL NOT PURSUE IT FURTHER
AT THIS TIME.
I TOLD COLEMAN OF THE PRESS RELEASE AND ASSURED HIM
THAT I WOULD MAKE EVERY EFFORT TO HAVE IT IN HIS HANDS

PRIOR TO RELEASE. HE WAS MOST GRATEFUL AS HE
APPARENTLY HAD NOT BEEN CONSULTED FROM WASHINGTON.
IN SUMMARY COLEMAN WAS MOST CORDIAL AND IS AWARE
OF AND SENSITIVE TO OUR COMMON INTEREST. THIS ALL
REINFORCES MY BELIEF THAT OUR MASTERS IN WASHINGTON
SHOULD BE PUTTING SOME REAL EFFORT INTO KEEPING THE
HICOM FULLY AND CURRENTLY INFORMED.
