

Office Memorandum • UNITED STATES GOVERNMENT

TO : Brig. General Alfred D. Starbird, USA
Director of Military Application, AEC, Washington

DATE: NOV 6 1958

FROM : K. F. Hertford, Manager
Albuquerque Operations

Senior Ops, for

SUBJECT: CURRENT AFSWP CONCEPT OF NEXT OVERSEAS TEST OPERATION

SYMBOL: ALT:JBS-1668

Thank you for the information contained in AFSWP memorandum of October 1, 1958, and the Summary of Water Surface and Sub-Surface Interests, transmitted with your memorandum dated October 27, 1958.

As requested, any relative information received through Field Command channels will be forwarded.

As you probably know, the Teak-Orange launching tower was dismantled and placed in storage on Johnston Island.
