Dear Dr. Conard:

Thank you for your letter of April 26, 1963 on the proposed permanent structure on Rongelap. I have sent a copy of your letter to the District Administrator in the Marshalls for his information also.

I regret to inform you that Dr. Macdonald died suddenly of a heart attack at Truk on May 1, 1963. I know you will want to inform other members of your group who had worked with him.

I shall look forward to seeing you in New York in June.

Sincerely,

M. W. Goding
High Commissioner
