Dear Bill:

During my recent visit with Bill Arntz, you asked me to supply you with data concerning the membership and function of the newly created Regional Committee for Territorial Assistance which I chair. Accordingly, I am enclosing for your information copies of the following:

1. Letter of May 23, 1977 from the Secretary of Interior creating our committee;
2. Minutes of our first meeting which set forth our objectives; and,
3. A current membership roster.

Thank you again for the very informative briefing on Enewetak and Johnston Atolls. You certainly compressed a maximum of helpful information into a minimum of time.

It was my pleasure to meet you and your staff and the Holmes and Narver people. I look forward to working with you on matters of mutual concern.

Sincerely yours,

Charles R. Renda
Regional Solicitor
