*Power*

TO: GEN'L. SUPVR., SERV. OPS. (ACTING) JOB: 942

FROM: SUPERINTENDENT, *Jan* POWER & DISTIL. RE: POWER & DISTILLATION DATA.

*ERB*

DATE: 18 December 1956

The attached information was compiled for transmittal to Mr. E. R. Berrien, Project Engineer, by verbal instructions of the Resident Manager.

As a matter of information the production capacity of the various types of Distillation Equipment is listed at 80 % of name-plate ratings. Based on past experience at jobsite, this figure is known to be very nearly accurate.
