Washington, D. C. 20545

Dear Dr. Seaborg:

As part of the Council's effort to keep Collaborating Organizations of the NCRP informed on our activities, I am pleased to enclose a copy of the Annual Report for 1967. A limited number of additional copies of the report are available and, if they would prove useful to you, I would be happy to supply your needs.

We would, of course, welcome any comments or suggestions you might have about the report or our program.

Sincerely yours,
