Dear Mr. de Brum:

I have received your letter of January 14, 1976, requesting medical examination of the people at Bikini by Dr. Conard and his medical team.

Please be advised that I am discussing your request with our Headquarters in Washington and with Dr. Conard. You will shortly have further word in this matter.

I was sorry to miss you on my stop at Majuro last week.

With best personal regards,

Roger Ray, Assistant Manager
for Environment & Safety
