Dear Bill:

Even though we have not received confirmation from the Trust Territory concerning our survey schedule I thought it best to go ahead and send you the names of the team for your orders, transportation and hotel reservation request based on this schedule. I am making the reservations for the team members from stateside to Hawaii at this time.

	<u>Arrival Date</u>	<u>Hotel*</u>	<u>Flight</u>
William Scott	February 9	9,10,11	Mac, Feb. 12
Douglas Clareus	February 9	9,10,11	Mac, Feb. 12
Robert A. Conard	February 14	14,15	Continental, Feb. 16-Majuro
Michael Makar	February 14	14,15	Continental, Feb. 16-Majuro
Brown Dobyns	February 14	14,15	Continental, Feb. 16-Majuro
Waturu W. Sutow	February 14	14,15	Continental, Feb. 16-Majuro
John Bateman	February 17	17,18	Mac, Feb. 19
Charles Demoise	February 17	17,18	Mac, Feb. 19

As far as hotels are concerned I think most of our group would prefer staying at the Edgewater, Princess Kailani, Ali Kair or similar hotel rather than a small off the track hotel.

I plan on going to Hilo on February 12th and then to Maui on the 13th to examine 2 Rongelap students attending Maui High School. I plan on arriving in Maui shortly after 8:00 a.m. with Michael Makar a technician. We would be ready to examine I would guess at 9:00 a.m. The 2 student's names are _____ and _____. They are living with a Mrs. C. Thompson at Kula Maui.

When our schedule is firm, would you call Mrs. Thompson (Tel. No. 784132) and make the necessary arrangements for us. The 2 boys know we are coming. On leaving Maui I plan to spend 1 day at Kauai since I have not seen this island before and will arrive, ^{He K'o} on the afternoon of the 14th.

There is one item which we will need that I had forgotten to mention before. We will need a 12 foot aluminum extension ladder. Would it be possible to send this out to Granich at Kwajalein for us?

Please let me know if you hear anything regarding the Trust Territory action in regard to the survey.

Sincerely,

Robert A. Conard, M.D.

P.S. Have requested clearance for Kwajalein for the group from Redstone.

Have requested immunization waiver for the group from the Army Surgeon General's Office.
