Dear Don,

Thank you for your 24 June letter and the old letter to Hugh Pratt which is of considerable interest to me.

I have decided not to seek the Marshallese position but will give it serious consideration if requested. As of the moment there are no candidates for Dr. Pratt's position.

I will not be at the Montreal meetings with the exception of one day when Betty and I will drive up to attend a dinner in the evening for Dr. Bessis. It would be very nice to have you visit us after the Montreal meeting. I shall be in Dallas, TX the week prior to the Montreal meeting at the International Society of Experimental Hematology annual meeting. I do hope that Emilie will come to Montreal and of course would be a welcome guest at 5 Ivy Lane.

There are many attractive features to the Marshallese program, in particular the question of Co-Director with you. I would like to discuss it more with you but will not actively seek the position.

Warmest personal regards,

Sincerely yours,

E. P. Cronkite, M.D.
