Dear Doctor Tobias:

Dr. Charles A. Sondhaus is being considered for a position as Research Collaborator in the Medical Department at Brookhaven from Donner Laboratory. As you may know, this appointment carries no salary but does afford certain privileges in the Medical Department here. He has given me your name as a reference.

I would appreciate it very much if you would write me a brief note regarding Dr. Sondhaus with particular reference to his education, training, aptitude for research, personality and ability to work with other members of a group.

I am

Sincerely yours,

Lee E. Farr, M. D.
 Medical Director
