

BROOK AVEN NATIONAL LABORATORY

Sept 8 1976

Memo to D. William Burn Dept. _____

Bill -

With regard to ^{your} answering the Balos letter (Copy with my answer attached) I called Jim Neel about statements concerning genetic effects of radiation in the Marshalla which might be helpful to you in answering the Balos query about this. Attached is a copy of his letter which may or may not be helpful to you in answering the Balos letter.

W. Burn

Bob Conrad
