Re: Fallout article proofs

Dear Dr. Dunning:

Corrections have been made as requested. I have also removed additional data in consonance with your deletion of letter MDT-611-58; this eliminates the last five (5) pages of proofs (labelled "REPRO" 58-62 inc.) as well as the two last graphs (indicated by printer as "Illus 12a, 13a" on the last page of the manuscript and as "Offset Illustration No. \_\_\_\_\_ Width" last page of proofs).

Sincerely yours,
