Mr. Roger Ray  
Deputy For Pacific Operations  
U.S. Department of Energy  
P.O. Box 14100  
Las Vegas, Nevada 89114-4100

Dear Roger:

Bert Friesen mentioned that you did not have medical certifications for DRI staff who had tours of duty on Enewetak. We searched the relevant files and I am enclosing copies of the correspondence we have on the subject.

Please let me know if this is not sufficient.

Sincerely,

Forest L. Miller Jr.  
Research Professor

July 6, 1977

TO WHOM IT MAY CONCERN:

Enewetak Medical Team

This is to certify that the medical history of Ms. Madaline G. Barnes has been compiled by Dr. Clifford C. H. Lee (copy attached). These records have been reviewed and based upon the advice of Dr. Lee, The Desert Research Institute certifies that Ms. Barnes is medically able to complete her assignment on Enewetak Island.

Sincerely,

Paul R. Fenske  
Research Professor and  
Project Manager  
Water Resources Center
