Subject: Classification of Report of Bikini Paint Samples.

Dear Lt. Daniels:

In accordance with your request, we have classified as TOP SECRET our copy #6 of the report of analyses of Bikini paint samples. We have also destroyed the original manuscript.

At the request of Col. Warren, however, two additional copies of this report were made up. One was sent to Col. Warren at Rochester, New York and the other was sent to Dr. Herbert Seoville, Bldg. L., Room L-2030 Navy Bldg., Washington, D. C. Both copies were classified as SECRET.

I suggest that you write the respective area engineer offices and ask that the classification be changed. The engineer officer signing for Dr. Seoville's copy was Major W. W. Stone. The receipt was dated the 15th of November, 1946.
