January 27, 1966

usual trip to the Marshall Islands
 will be spending some time on
 fairly large number of Americans

Good volume studies on some of these
 give your help on total body water
 ed water. If this is agreeable
 of the materials when I go through
 I shall require instructions.

I hope Jean and you will be free to spend an evening together.
 I shall of course contact the Weavers before I leave New York.

With kindest regards,

Sincerely yours,
