TO: Hildreth B. Fitz *[Signature]*
FROM: Resident Manager

JOB: 942
RE: Letter of Instruction - Ujelang Mission
DATE: February 12, 1958

You are hereby designated as senior member of all personnel of the H&N group to be engaged in the survey required by Project 34.4, while such personnel are shore on Ujelang Island.

As such, you will have the authority to:

Replace existing survey markers with concrete monuments, make distance and angle measurements between monuments as shown in the drawings and specifications, direct the offloading of a DUKW and the operation of same ashore.

Establish and administer rules and regulations pertaining to personnel conduct while ashore which will insure continuing good relations with Trust Territory and native personnel.

The MV Aloto will depart Eniwetok on or about 12 February; off-load the DUKW with survey personnel, materials and equipment aboard and remain until survey program is completed. Thereupon, the MV Aloto will depart Ujelang on or about 14 February 1958, at 1700 hours; arrive at Eniwetok at 0800 hours on 15 February 1958.

Your group will consist of the personnel listed on the attached.
