GAC Meeting in Chicago, December 29, 30, 1947

There has been circulated to you a copy of Dr. Manley's letter of December 12, which I discussed with you yesterday. I understand you will designate staff representatives to attend this meeting, and it would be appreciated if you would advise the Secretariat of the representatives decided upon.

As I told you, Col. Fields, speaking for the Division of Military Application, has suggested that staff representation be limited to the General Manager or representatives of his office, the four statutory directors, and Captain Russell.
