FOLDER MCZA 7 Castle (Vol 2)

Attached are drafts of minutes of the executive sessions of the Commission held on September 22 and 23, 1953. These were prepared in this Division. The Secretariat, with assistance from this Division, has prepared minutes for the meeting preceding the executive session on September 22, covering the bulk of the discussion on that day.

The attached drafts have been in the hands of the Secretariat for about a week, but we understand that they do not plan to issue minutes of these executive sessions because no member of the Secretariat was present. They do intend to incorporate the Commission actions listed on pages 4-6 in the minutes of a subsequent Commission meeting. You may wish to have minutes of these sessions entered as part of the record of Commission deliberations leading to the decisions on this subject.
