Dr. I. E. Walker
Aquatic Biologist
Environmental Science Branch
Division of Biology and Medicine
U. S. Atomic Energy Commission
Washington 25, D. C.

Dear Gene:

In a telephone conversation on 14 October, Al Seymour requested that a brief summary of the activities of the University of Washington at Rongerop Atoll be sent to you for possible use in the Division of Biology and Medicine Quarterly Report. He stated that you would pass it on to the appropriate person.

We hope this brief summary is satisfactory.

Sincerely,

Edward E. Held
Research Associate Professor
