Dr. Shields Warren, Director
Division of Biology and Medicine
United States Atomic Energy Commission
Washington 25, D. C.

R

Dear Dr. Warren:

Many thanks to you for putting through the authorization to open the hospital at Brookhaven. The fact that it included permission to take free patients for research was an inspiring surprise. Farr and I now feel in position to push ahead in getting men to man the department.

With best regards,

Yours sincerely,

Donald D. Van Slyke
