Dr. James E. Doolittle
Applied Research Laboratory
University of Washington
Seattle, Washington

~~CONFIDENTIAL~~

Dear Doctor Doolittle:

We were glad to receive a copy of Dr. Robert Langer's report
you that your project with studies of separate DNA and proteins
by the J Division. We would like for you to provide data for
preliminary studies that you are doing in this regard and
advise us the approximate nature of that work. We are
interested in the possibility of your work being of value to
the program. We will look for a report on this matter
soon, if required, to see that our cooperation arrangements.
