Dear Governor Boggs:

Since receipt of your official request for a meeting on fallout protection between the Governors' Conference Committee on Civil Defense and various Federal officials, members of my staff and interested Federal agencies have held a number of meetings with representatives of the Governors' Committee to discuss this proposal. We have jointly concluded that it would be beneficial to hold such a conference, and I have asked that arrangements be made for this meeting at a mutually convenient date early next year.

I wanted you to know of our decision in this matter, and would like to express again my continued appreciation to you and the other members of the Governors' Conference for your interest in this very vital subject.

With warm regard,

Sincerely,

W. A. R. [Signature]

The Honorable J. Caleb Boggs  
Governor of Delaware  
Dover, Delaware
